

SEC. 11. 245A.175 MENTAL HEALTH TRAINING REQUIREMENT.

Prior to a nonemergency placement of a child in a foster care home, the child foster care provider, must complete two hours of training that addresses the causes, symptoms, and key warning signs of mental health disorders; cultural considerations; and effective approaches for dealing with a child's behaviors. At least one hour of the annual 12-hour training requirement for foster parents must be on children's mental health issues and treatment. Training curriculum shall be approved by the commissioner of human services. The following video meets the training requirement for initial licensing. Relative Foster Providers must complete this training before their license can be approved. To verify completion of the training, complete a Self Study Questionnaire and return it to your licenser.
